

## Protocol: Week 4

Written by Aditya Bharadwaj  
(03.07.2024)

### Guidelines/Tips and Rules:

- Stick to the Team Policy (From the second half is very important)
- Software Development is a good amount of the grades
- Presentation is almost 10%
- 

### Next Week Plans: (Bugs and Fixes)

- MVC Structure
- Unit Tests!!! (Accuracy, WPM, .....)
- Car Progress according to the progress
- Testing, Testing and Testing
- Ranking
- Correct/Incorrect Words???(maybe)
- (Hotseat mode): The other player can't see the text until they type
- WE NEED A GAME NAME!!!
-
